On the first floor, two bedrooms with en-suite bathrooms and wardrobes open their large windows onto a large veranda overlooking the garden and pool. At the back, a storage space with bathroom and two other balconies complete the floor.

On the roof of the house, a large terrace with recreation area and jacuzzi offers a superb space for relaxation.

The basement, with a two/three car garage, is a space that can be used as a gym, cinema room or simply for storage.

The whole house benefits from a lot of light.

Outside, a swimming pool with rounded shapes and a covered barbecue area offer the best conditions for getting together with family or friends.

The estimated completion date of the construction is the first half of 2023.
