Land for industrial construction, warehouses and possible housing for sale in Lagos, Algarve, Portugal

We present a plot of land with enormous investment potential for sale in Lagos. This land is divided into 9 lots for the construction of warehouses, with areas between 886m² and 1,545m² and construction capacity between 587m² and 1,135m².

Located in the vicinity of the city of Lagos, in a privileged and mostly industrial area, the land offers easy and quick access to the National Road and the A22 highway, ensuring efficient logistics for any type of business.

In addition to the plots for construction, the land has about 7 hectares of open area, which includes an existing house, with the potential to be rebuilt and converted into housing or integrated into an
